

Fairfield SSL Time Trials Parking

The FFC Swim Club is working closely with police to facilitate parking. A uniformed officer will be in the front of the south end entrance of the development (across from Rite Aid). All incoming traffic will be directed to the north-end of the neighborhood. The south-end entrance of the neighborhood will be used to exit the neighborhood. Families have been instructed to drop their swimmers off at the pool, but to park in the Super-Fresh parking lot. FFC staff and signs will be posted throughout the neighborhood to direct traffic. Orange traffic cones will be placed to prevent parking in several areas of the neighborhood.
